Mission of the Idaho District Employee Association

To enhance communication, promote professional improvement, and increase effectiveness of conservation districts and their employees; and to foster mutual partnership with conservation agencies, organizations and associations.

FY2007 Annual Work Plan (1/1/07 to 12/31/07) Idaho District Employee Association

IDEA Professional Development Priorities:

- *Promote professional advocacy within the membership*
- *Promote and encourage internal communication within the membership*
- *Provide district employee training and support to enhance and encourage professionalism and communication*
- *By January 2007, secure funding for Division Workshops*
- *NRCS, ISCC and IDEA*

Partnership Enhancement Priorities and Goals:

- *Increase and encourage internal communication amongst the IDEA membership*
- *Increase and encourage internal communication within the Divisions, State, Regional and National organizations*
- *Encourage the development of stable base funding for SCD/SWCD's Technical Assistance*

Information – Education Priorities and Goals:

- *Provide support and encouragement for State and local educational outreach programs and contests*
- *Set budget and raise funds by January 1, 2008 to support identified natural resource contests and workshops*
- *Support workshops hosted in each division and explore options for “membership workshops” statewide*
- *Provide administrative support, when possible, to natural resource contests and workshops*
- *Provide administrative support within the partnership during IASCD conference and Division meetings*
